Net Set Go is a great way for girls and boys aged 5-10 to have fun with their friends, keep active and learn the basic skills of netball in a safe and social environment.

Each week your child will take part in skill-based activities, minor games and modified matches that will help them develop fundamental movement skills, as well as important social skills like team work.

The program will run for 10 weeks until 8th November (not including last day of term or Cup Day weekend) and all participants receive a pack of goodies when they register, including a size 4 netball, t-shirt, a healthy habits activity book and Super Netball collectable player cards.

To register your interest please email the following details to the Parkside Netball Club at info@parksidenetballclub.org.au:
