Statement of Commitment to Child Safety

Fairfield Primary School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students. We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety. We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

SPECIFIC CHILD SAFETY RESPONSIBILITIES

Fairfield Primary School has nominated the Assistant Principal as their child safety champion to support the Principal to implement our child safety policies and practices, including staff and volunteer training.

Our Principal and child safety champion are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

Anyone in our school community should approach the child safety champion if they have any concerns about the school's compliance with the *Child Safety and Wellbeing Policy*.

- Other specific roles and responsibilities are named in other child safety policies and procedures, including the *Child Safety Code of Conduct*, *Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures*, and *Child Safety Risk Register*.

Our school has also established a running item at Staff Meetings on child safety, a Wellbeing School Improvement Team and a Student Voice Team. The Wellbeing School Improvement Team meet regularly to develop safety and wellbeing strategies, all staff are responsible for sharing matters related to child safety and wellbeing at Staff Meetings and the Student Voice Team provides an opportunity for students to provide input into school strategies.

Our Assistant Principal monitors the Child Safety Risk Register.

Child Safety Code of Conduct

Our *Child Safety Code of Conduct* sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The *Child Safety Code of Conduct* ([link](#)) also includes processes to report inappropriate behaviour.

Managing Risks to Child Safety & Wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our *Child Safety Risk Register* is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the *Child Safety Risk Register* at least annually.

Establishing a Culturally Safe Environment

At Fairfield Primary School we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- We have a Koori Perspectives School Improvement Team who meet regularly to develop and implement school wide strategies to promote and celebrate Aboriginal and Torres Strait Islander culture.
- We participate in annual Child Safe Training, incorporating the 11 standards including PROTECT Child Safe Standard 1: Culturally Safe Environments.

Student Empowerment

To support child safety and wellbeing at Fairfield Primary School we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach to Respectful Relationships, Student Voice Team, Buddy Program, student Code of Conduct and school values.

We inform students of their rights through our whole school approach to Respectful Relationships, Student Voice Team, student Code of Conduct and school values, and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns via our website, newsletters and upon request at reception.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Family Engagement

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Fairfield Primary School we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Consulting with the Policy subcommittee of school council, school council, the Student Voice Team and at staff meetings.

- Ensuring that all of our child safety policies and procedures are available for students and parents on the school's website and at reception upon request.

Training includes guidance on:

Complaints & Reporting Processes

Fairfield Primary School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's *Complaint Policy*. The *Complaint Policy* can be found on the policies page of our school website.

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees and homestay providers) must follow our *Child Safety Responding and Reporting Obligations Policy and Procedures* [insert link]. Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- The [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child.
- The [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending.

Our *Student Wellbeing and Engagement Policy* and *Bullying Prevention Policy* cover complaints and concerns relating to student physical violence or other harmful behaviours.
